Verse 2

You are my only protector
when I feel weak, You're my strength and my shield
You're stronger than any objector
armor in battle, my fortress in need
No sword forged against me will ever do harm
You hold me so safe and secure in Your arms
You are my only protector
my peace and my only hope

Verse 3

You are my only redeemer
when I was in debt, You paid at the cross
You gave my whole life a new meaning
what I once held dear, I count it as loss
Transformed from a sinner mere covered in shame
into Your child, for Your glory, Your name
You are my only redeemer
my peace and my only hope
